2015 Healing Jar Gala Results

May 6, 2015

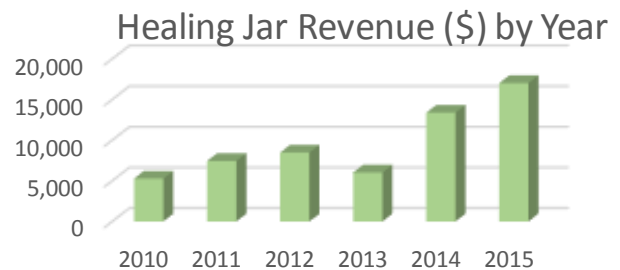

Health Partners Free Clinic

The Event

The Sixth Annual Healing Jar Gala Fundraiser was a record-breaking success! The event returned a net profit of over \$17,000 which is a \$4,000 increase from the year prior. Ninety-seven attendees purchased 22 different pieces of art created by local artists. The funds raised at this event will go directly to clinic programming allowing Health Partners' Staff and Volunteers to continue providing the same high-quality services they did during the 2014 calendar year:

- 1,137 unduplicated patients seen
- 4,263 medical visits provided
- 3,037 labs/diagnostics provided
- 13,370 prescriptions dispensed
- Over \$3 million provided in total services

The Support

The Clinic Board and Staff would like to thank all of our sponsors for their support and generosity. We hope to partner with you, again, in 2016 for our Seventh Annual Healing Jar Gala!
